October 31st, 2016 - Shortly after 2100 hours, Tower 807 was dispatched to transfer to Company 33 (Kentland) while units in the area operated on a working house fire in Company 8's (Seat Pleasant) first due. Units on scene arrived to heavy fire conditions. Shortly after arrival at Company 3, units on scene requested assistance with completing thorough searches for unaccounted for occupant of the residence. Tower 807 was dispatched from Company 33's quarters to the scene. The crew from Tower 807 performed a third search of the residence, which turned out negative for any occupants. After operating on the scene for roughly 45 minutes, Tower 807 and crew were detailed back to the transfer at Company 33 for the duration of the incident to cover any incidents in the area. Attached is a picture of what crews encountered initially after arrival from Company 33. {gallery}/birchleaf{/gallery}
