

Engine 73 Runs Two Working Fires

Monday, November 20 2017 00:00 - Last Updated Friday, February 02 2018 01:26

November 20th, 2017- at approximately 1700 hours Engine 73 was dispatched as the working fire dispatch engine on the 9200 block of Mchenry Lane in Company 28's first due. Company 7 operated for just over an hour. As Company 7 cleared this call Engine 73 was alerted for the reported basement fire in the 7900 block of Kara Court in Company 48's first due. Engine 73 arrived as the first due engine company with fire conditions in the basement. Company 7 operated for approximately three hours before returning to service.
