Friday, December 21 2012 00:00 -

Friday December 21, 2012, Santa made an early stop in Riverdale to deliver toys to needy families who might not otherwise have a Christmas gift under their tree. Santa teamed up with the Town of Riverdale Park Code Enforcement office and of course the Riverdale Fire Department to deliver toys early. By the end of the night Santa and his helpers delivered toys to over 50 families in the Town of Riverdale Park.
