

The Officers and Members of The Riverdale Fire Department Inc would like to wish Dominique Starr the best of luck as he moves to Kaneohe Bay, Hawaii. Starr is a member of the United States Marine Corps with the 1st Battalion, 3rd Marines. In his time with the department Starr has become a true family member. He was always quick to make members laugh or bust out in a song. We will miss your comedy Starr, your singing not so much though. With the sing of the winter weather lately, members are already planning a trip to visit Starr in Hawaii. Starr for all you have done for the department and for serving our country we say Mahalo and be safe.
